

Teach English via Facebook in Ukraine

Project Title	Teach English via Facebook in Ukraine
Project Summary	Virtual interns will work directly with the VOA Learning English office and VOA's Ukrainian Service to support English teaching via social media, primarily Facebook. The project is focused on students in Ukraine with basic or intermediate knowledge of English.
Country	United States
Agency	Broadcasting Board of Governors
DoS Office	N/A
Post	N/A
Section	N/A
Number of Interns	5

Project Description

Virtual interns' work will include managing content on social media properties used to connect and engage English learners. Content includes but is not limited to short videos, live streaming, idiomatic English explainers translated in Ukrainian, infographics and other visuals. The work may include producing quizzes and "trivia" campaigns promoting English learning.

Video editing

Additional Information

Voice of America is part of the Broadcasting Board of Governors (BBG), an independent federal agency, which is an exciting, multi cultural organization that encompasses all U.S. civilian international broadcasting. The BBG is comprised five networks (VOA, RFERL, MBN, RFA, OCB). It is broadcasting in 61 languages reaching a worldwide audience of 215 million people with news, information, and relevant discussions. Our staff of dedicated journalists and professionals model free and independent media behavior in democracy.
